Range attendant duties consist of opening and closing the trap and skeet houses, pulling the birds, and cleaning the houses, and keeping the ranges clean. If a range attendant discovers that he/she cannot work at the club on his/her assigned date, he/she should immediately contact another attendant on this list and request a swap or find an alternate (*phone numbers are located in the trailer – if your number is not correct, please update it*). If the range attendant is not successful in finding a replacement, he/she should contact Gary Scheibel (618-692-0862), Bill Retzlaff (618-444-1959), or Ben Anstedt (618-588-2254) to inform them of the problem.

Work hours on **Saturday are 8:00 a.m. to 12:00 noon.** Work hours on **Sunday are 9:00 a.m. to 1:00 p.m.**

All money collected (**\$2.50 per round**) and any donations must be given to one of the above three range coordinators who will promptly turn it in to the club treasurer (Rick Carter). We are requesting that all fees be paid at the time of shooting, and not mailed in unless absolutely necessary. If necessary, please mail range fee money to our club treasurer, Rick Carter (1919 Duke, Edwardsville, IL 62025).

Range attendants must insure that all safety rules are adhered to, including wearing of ear and eye protection **AT ALL TIMES.**
